

Home Among The Gum Trees – John Willimason

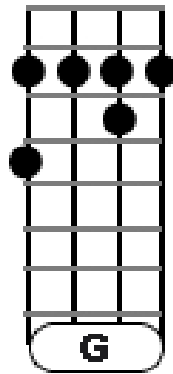

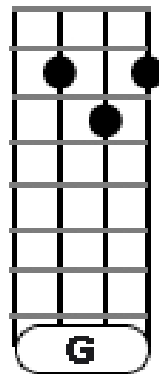

D7 ->

G Em
I've been around the world
Am D7
A couple of times or maybe more
Am D7
I've seen the sights, I've had delights
G D7
On every foreign shore
G Em
But when my mates all ask me
Am D7
The place that I adore
Am D7 G
I tell them right away

CHORUS

G Em Am D7
Give me a home among the gumtrees
Am D7
With lots of plum trees
G D7
A sheep or two, and a kangaroo
G Em
A clothesline out the back
Am D7
Verandah out the front
Am D7 G
And an old rocking chair

G Em
You can see me in the kitchen
Am D7
Cooking up a roast
Am D7
Or Vegemite on toast
G D7
Just you and me, a cup of tea
G Em
And later on, we'll settle down
Am D7
And go out on the porch
Am D7 G
And watch the possums play

CHORUS

G Em
There's a Safeways up the corner
Am D7
And a Woolies down the street
Am D7
And a brand new place they've opened up
G D7
Where they regulate the heat
G Em
But I'd trade them all tomorrow
Am D7
For a little bush retreat
Am D7 G
Where the kookaburras call

G Em
Some people like their houses
Am D7
With fences all around
Am D7
Others live in mansions
G D7
And some beneath the ground
G Em
But me I like the bush you know
Am D7
With rabbits running round
Am D7 G
And a pumpkin vine out the back

CHORUS x 2
