

Intro: MY ISLAND HOME

C F C
Six years I've been in the city
F C
Every night I dreamt of the sea
C F C
They say home is where you find it
G F C
Will this place ever satisfy me

C F C
For I come from the salt water people
F C
We always live by the sea
C F C
Now I'm down here living in the city
G F C
With my man and a family

Am C
My island home, my island home
G F C
My island home, is waiting for me x 2

Am G C
In the evening the dry wind blows
F
From the hills and across the plains
Am G C
I close my eyes and I'm standing
C F
In a boat on the sea again
Am G C
And I'm holding that long turtle spear
C F
And i feel i'm close now to where it must be
G F C
My island home is waiting for me

CHORUS x 2

C F C

F C
We are a land surrounded by sea
C F C
Though I may travel far across the ocean
G F C
It will never forget me
C F C
For i come from the salt water people
F C
We always live by the sea
C F C
Now i'm down here living in the city
